Refrain:

Less of me, more of you
The greatest love, is found in you
I'm breaking loose because of you
I am finally free

Verse 1:

Once I met you I was Never the same
Exchange my fear for your love
You gave me a new name
And now I'm not going back
Back to the life I used to have
I'm surrendering to your love

Chorus:

I am forgiven, chosen by who
Makes all things new
I am alive now
Washed in the blood, brand new
And I owe it all to you

Post Chorus :

Forever yours
I'm yours

Verse 2:

Jesus all I want is forever with you
The old has passed and you've made
Everything brand new
With you I will spend my days
As I behold you face to face
Telling this world of this love

Bridge :

Less of me, more of you
The greatest love, is found in you
I'm breaking loose because of you
I am finally free
