

Bold MSC: Let You In

Writers: Madeline Abraham, Eunice Muyaka, Meshak Muyaka, Brandon Haynes, Melodie Simmons, Josh Hamilton & Nick Day

Verse 1:

Your love is patient, always kind
It won't give up on me, by my side
Never indifferent, You're so persistent
This is how life could be, when I let you in

Chorus:

I never have to question it
I don't have to strive
Life is always easier
When I let You in
I know this will look different
Life is forever changed
I am down for the ride
So I'll let you in

Verse 2:

There's no comparing
Your love is a whole experience
This is for certain
I never have to walk alone
I'm coming alive
thinking of how
You're with me now
And You love me
I see the world so differently, when I let You in

Bridge:

You never leave
You always got me
I put faith in my King
He's never let me down

This I know, this I know, this I know
