Boldly

Written by: Jonathan Stockstill

Verse 1:
Oh the blood made a way
For me to enter in
The veil that stood between us
Was torn
It was You who loved me first
It was You who did it all
So I come in faith
For what You've done

Chorus:
Boldly, I come boldly
To the throne room of mercy
Confident in grace
Holy, I'm made holy
You have washed me in pure water
And cleansed me by Your blood

Verse 2:
Oh what joy floods my soul
When I know there is a place
For a sinner like myself to stand
Not in shame from my past
But in confidence I come
And lift my hands to offer praise

Chorus:
Boldly, I come boldly
To the throne room of mercy
Confident in grace
Holy, I'm made holy
You have washed me in pure water
And cleansed me by Your blood

Bridge:
Praise God, Praise God
Praise God, for our salvation
No other way for us
But the blood of Jesus
Praise God, Praise God

Praise God, Praise God
Praise God, for our salvation
No other way for us
But the blood of Jesus
Praise God, Praise God

Praise God, Praise God
Praise God, for our salvation
No other way for us
But the blood of Jesus
Praise God, Praise God

Chorus:
Boldly, I come boldly
To the throne room of mercy
Confident in grace
Holy, I'm made holy
You have washed me in pure water
And cleansed me by Your blood
