

**BY FAITH**

Written by: *Nikki Moltz, BJ Putnam, Brandon Haynes, and Danielle Burns*

**Verse 1:**

You brought me through the darkest night  
Helped me through every single trial  
I know by faith dawn is coming, coming

**Verse 2:**

I've seen Your hand time after time  
The way that You've helped me all my life  
With kindness and mercy always running, running

**Chorus:**

I'll praise before the promise  
Give thanks before the breakthrough  
I'll trust You in the process  
I'm gonna see, I'm gonna see

The goodness of the Father  
His miracles and wonders  
A power like no other  
I'm gonna see, I'm gonna see You move

**Verse 3:**

Now I've got history with You  
There's not a mountain You won't move  
By faith I know that You are able, able

**Verse 4:**

If You have done it once before  
I know You'll do it all again  
By faith I know that You are able

**Chorus:**

I'll praise before the promise  
Give thanks before the breakthrough  
I'll trust You in the process  
I'm gonna see, I'm gonna see

**BY FAITH**

The goodness of the Father  
His miracles and wonders  
A power like no other  
I'm gonna see, I'm gonna see You move

**Bridge 1:**

By faith, the Lord is in the room  
By faith, His spirit rushing through  
By faith, I know He's on the move  
I'm gonna see it

By faith, the walls are gonna fall  
By faith, all things are possible  
By faith, there's healing for us all  
I'm gonna see it

**Bridge 2:**

By faith, depression has to go  
By faith, the barren are restored  
By faith, the broken have a home  
I'm gonna see it

By faith, You're splitting every sea  
By faith, I'll speak it and believe  
By faith, You'll make a way for me  
And I'm gonna see it

**Tag:**

By faith, by faith, by faith  
I'm gonna see, I'm gonna see it

**Tag:**

By faith  
By faith  
By faith

**BY FAITH**
