G 68 4/4**Verse 1**

On a hill called calvary
Heaven's best nailed to a tree
Traded wealth for poverty
Spotless lamb laid down for me

Chorus

Oh the blood that washed my sin away
The blood you shed to make a way oh
The precious blood of Jesus
Your love that never walks away
Your love forever on display oh
The perfect love of Jesus

Verse 2

What a price for victory
Heaven's precious offering
Crucified to set me free
Jesus Christ our risen king
Jesus Christ our risen king

Chorus

Oh the blood that washed my sin away
The blood you shed to make a way oh
The precious blood of Jesus
Your love that never walks away
Your love forever on display oh

The perfect love of Jesus

Bridge

Just one drop is enough
But you gave your all
A crimson flow
Greater Love no one's known
Your life laid down For everyone

Chorus

Oh the blood that washed my sin away
The blood you shed to make a way oh
The precious blood of Jesus
Your love that never walks away
Your love forever on display oh
The perfect love of Jesus
