Joining with angels
The chorus of heaven
Bowing in worship
To the king above all thrones
Giving you reverence
Here in your presence
Bowing in worship
To the king of above all thrones
All our praises

Glory and honor
To you forever
To you forever
Majesty and power
To you forever
To you forever

All of creation
Joining the anthem
Lifting our praises
To the king above all thrones
To him who is able
The high king of heaven
The alpha omega
He's this king above all thrones
All our praises

Glory and honor
To you forever
To you forever
Majesty and power
To you forever
To you forever

To you forever
To you forever
Majesty and power
To you forever
To you forever

You sit on the throne
Worthy is the Lamb
Who sits on the throne
Holy is the Lamb

You sit on the throne
Worthy is the Lamb
Who sits on the throne
Holy is the Lamb

You sit on the throne
Worthy is the Lamb
Who sits on the throne
Holy is the Lamb

You sit on the throne
Worthy is the Lamb
Who sits on the throne
All our praises

Glory and honor
To you forever
To you forever
Majesty and power
To you forever
To you forever
