

Let God Arise (Live)

Written by: *BJ Putnam, Chris Burns, Leonard Jarman, Eunice Muyaka*

Verse1:

The mighty Lamb of God
Reigns over all
When I sing the name of Jesus
Every enemy will fall
Sing praises to the Savior
Who washed away our sin
Hail the Lion of Judah
He who died and rose again

Pre:

We give Glory and honor
Praises forever

Chorus:

Let God arise
Let God arise
And His enemies be scattered
Let praises rise
Let praises rise
And His enemies be scattered

Verse2:

Father to the fatherless
Defender of the weak
He walks with the lonely
And He sets the captive free
He upholds creation
By the power of His Word
The glory of the Lord
Will flood the nations of the earth

Pre:

We give Glory and honor
Praises forever
We give Glory and honor
Praises forever

Chorus:

Let God arise
Let God arise
And His enemies be scattered
Let praises rise
Let praises rise
And His enemies be scattered

Bridge:

To the one who rides the heavens
Your name be praised forever
Let God Arise
Let God Arise
The God of Glory Thunders
We stand in awe and wonder
Let God Arise
Let God Arise

To the one who rides the heavens
Your name be praised forever
Let God Arise
Let God Arise
The God of Glory Thunders
We stand in awe and wonder
Let God Arise
Let God Arise

To the one who rides the heavens
Your name be praised forever
Let God Arise
Let God Arise
The God of Glory Thunders
We stand in awe and wonder
Let God Arise
Let God Arise
