Made To Praise

Written by: Meshak Muyaka, Kamber White, Kayla Stanley, Hayden Stanley, and Madeline Abraham

Verse 1:
If the rocks cry out in praise
Who am I to not bless His name
If the Son has set me free
Chains are gone and nothing's stopping me
Get up and praise

Verse 2:
He has proved His faithfulness
So His name will never leave my lips
When my spirit feels so low
I'll get up and command my soul

Chorus:
I, I was made to bless Your name
Jesus, I, I was made to give You praise
My hands will clap
My voice will shout
My feet will dance wild for the King of Kings
And I, I was made to give You praise

Verse 2:
He has proved His faithfulness
So His name will never leave my lips
When my spirit feels so low
I'll get up and command my soul

Chorus:
I, I was made to bless Your name
Jesus, I, I was made to give You praise
My hands will clap
My voice will shout
My feet will dance wild for the King of Kings
And I, I was made to give You praise

Bridge:
I've got a praise on the inside
I'm gonna let it out, let it out
I'm unashamed and I won't stop
I'm gonna let it out, let it out

I've got a praise on the inside
I'm gonna let it out, let it out
I'm unashamed and I won't stop
I'm gonna let it out, let it out

Chorus:
My hands will clap
My voice will shout
My feet will dance wild for the King of Kings
My hands will clap
My voice will shout
My feet will dance wild for the King of Kings
And I, I was made to give you praise
