

One Thing Vocal Breakdown

By Chris Burns and BJ Putnam

Verse 1:

Your presence

I want to stay forever

In Your presence

You're the one thing I desire

Your presence

I want to stay forever

In Your presence

You're the one thing I desire

Pre:

I want the cloud by day and the fire by night

I want the cloud by day and the fire by night

Chorus:

All I really want is Jesus

To live forever in Your presence

To behold the beauty of the Lord

You are my one thing

All I really want is Jesus

To live forever in Your presence

To behold the beauty of the Lord

You are my one thing

Verse 2:

Returning

Returning to my first love

My heart's burning

You're the one thing I desire

Returning

Returning to my first love

My heart's burning

You're the one thing I desire

Pre:

I want the cloud by day and the fire by night

I want the cloud by day and the fire by night

I want the cloud by day and the fire by night

I want the cloud by day and the fire by night
