VERSE 1

Some are looking for the winds to change
Some are looking to the sky for rain
Some are hoping for a brighter day
Not me I'm satisfied

VERSE 2

Everybody wants a man to lead
Looking to the world for what they need
If they only knew there's one true king
It's Jesus and I'm satisfied

CHORUS

I'm not feeling down or hopeless I have you
I'm not empty feeling broken I'm brand new
I've got fire on the inside and it's only getting
brighter
With Jesus I'm satisfied

VERSE 3

Whole worlds hoping peace will someday come
Empty promise after broken ones
But there's only one man on the throne
Yeah It's Jesus, and I'm satisfied

REPRISE

I'm not hungry anymore
I'm not thirsty wanting more
I'm not broken, sick, or poor
I'm satisfied

You supply my every need
In Your love I am complete
Because You're with me
I'll always be satisfied

I'm satisfied////////
