Shekinah Glory

Written by: *Jonathan Stockstill and Meshak Muyaka*

Verse:
Shekinah Glory
We want the fullness
Lord, let the weight of Your presence
Manifest on us

Shekinah Glory
Show us Your glory
Let all Your goodness pass before us
As we seek Your face

Shekinah Glory
We want the fullness
Lord, let the weight of Your presence
Manifest on us

Shekinah Glory
Show us Your glory
Let all Your goodness pass before us
As we seek Your face

Chorus:
Come Spirit, come
Come Spirit, come
Come Spirit, come
I want to see Your glory
I want to see Your glory

Come Spirit, come
Come Spirit, come
Come Spirit, come
I want to see Your glory
I want to see Your glory

Verse 2:
Shekinah Glory
We want the fullness
Lord, let the weight of Your presence
Manifest on us

Shekinah Glory
We want the fullness
Let all Your goodness pass before us
As we seek Your face

Chorus:
Come Spirit, come
Come Spirit, come
Come Spirit, come
I want to see Your glory
I want to see Your glory

Come Spirit, come
Come Spirit, come
Come Spirit, come
I want to see Your glory
I want to see Your glory

I want to see Your glory
I want to see Your glory

I want to see Your glory
I want to see Your glory

Bridge:
Holy Spirit fall like rain
Soften up our hearts
Holy Spirit have Your way
As we seek Your face

Holy Spirit fall rain
Soften up our hearts
Holy Spirit have Your way
As we seek Your face

Holy Spirit fall like rain
Soften up our hearts
Holy Spirit have Your way

Shekinah Glory
