

Trust in our God [Lyrics]

[Default Arrangement] by Jonathan Stockstill

Intro

Verse 1

Some will trust in kings and kingdoms
Others trust in human strength
Some will trust in gold and silver
But we will lift our eyes to heaven's throne
But we will lift our eyes to God alone

Chorus:

There's no other rock we can stand on
There's no other warrior to defend us
We will lift our eyes, We will lift our hands to the heavens
Praying help us

Verse 2:

Some will trust in worldly wisdom
Others trust in just what is seen
Some will trust an empty promise
But we will lift our eyes to heaven's throne
We will lift our eyes to God alone

Instrumental:

Trust in our God -

Bridge:

You're the shepherd of our hearts
You're the keeper of our souls
We are looking up to heaven
You defend the broken ones
You breathe life into our lungs
All our hope is placed in you alone
In God alone

Verse 3:

We will trust the Rock of Ages
We will trust the Ancient one
Heaven's strongest is our defender
We will lift our eyes to heaven's throne
We will lift our eyes
