Bridge

Cmin7

When you see a cloud arising

G#

Like a hand on the horizon

D# Gmin7

It's bringing rain, it's bringing rain

Cmin7

You have knelt and knelt again

G#

You have looked and looked again

D# Gmin7

It's time for rain, it's time for rain

Cmin7

Every prayer that you have planted

G#

Is now springing from the ground

D# Gmin7

It's bringing rain, it's bringing rain

Cmin7

Lift your eyes to see the promise

G#

It is coming as you praise him
